Job Creation Data Explanatory Notes

If the change (gain/loss) in the number of full-time permanent employees as of the date of the report plus the number of full-time permanent employees anticipated to be hired after date of the report does not equal the number of full-time permanent employees stated in the Agreement that would be created at the site as a result of the assistance, then please explain why not:

Due to the downturn of the economy, CareerBuilder has temporarily slowed its rate of hiring. We expect to fulfill the hiring requirements of the EDGE agreement by September 2010, contingent upon improved economic conditions.

I, Alex Green, as the chief officer or authorized designee of the recipient, verify that the information in the progress report contains no knowing misrepresentation of material facts upon which eligibility for development assistance is based. I further certify that, to the best of my knowledge, the recipient is in compliance with the development assistance agreements(s) between, or on behalf of, the recipient and the Illinois Department of Commerce and Economic Opportunity and/or the Illinois Department of Transportation and/or the office of the Illinois State Treasurer.
