Job Creation Data Explanatory Notes

If the change (gain/loss) in the number of full-time permanent employees as of the date of the report plus the number of full-time permanent employees anticipated to be hired after date of the report does not equal the number of full-time permanent employees stated in the Agreement that would be created at the site as a result of the assistance, then please explain why not:

The criteria used to qualify for the grant was the creation of 35 FTE jobs and the retention of 27 FTE jobs. The total employees at 12/31/10 was 73 compared to 27 at the time of application.
