Job Creation Data Explanatory Notes

If the change (gain/loss) in the number of full-time permanent employees as of the date of the report plus the number of full-time permanent employees anticipated to be hired after date of the report does not equal the number of full-time permanent employees stated in the Agreement that would be created at the site as a result of the assistance, then please explain why not:

System automation combined with lower overall demand. Generally, an increase in higher wage jobs/ job openings has occurred. However, we continue to have difficulty finding properly skilled qualified candidates.
