If the change (gain/loss) in the number of full-time permanent employees as of the date of the report plus the number of full-time permanent employees anticipated to be hired after date of the report does not equal the number of full-time permanent employees stated in the Agreement that would be created at the site as a result of the assistance, then please explain why not:

HMC hired more employees than the original agreement. The actual agreement/signed contract states responsible for creating 5 total jobs and retaining 34 current jobs.
