Job Creation Data Explanatory Notes

If the change (gain/loss) in the number of full-time permanent employees as of the date of the report plus the number of full-time permanent employees anticipated to be hired after date of the report does not equal the number of full-time permanent employees stated in the Agreement that would be created at the site as a result of the assistance, then please explain why not:

We hired individuals from last year. Our headcount was down in 2014, which rendered our company ineligible for credits. We hired 9 people in 2015 across 2 different groups, again making us eligible to re-enter the program.
