If the change (gain/loss) in the number of full-time permanent employees as of the date of the report plus the number of full-time permanent employees anticipated to be hired after date of the report does not equal the number of full-time permanent employees stated in the Agreement that would be created at the site as a result of the assistance, then please explain why not:

Number of positions exceeds the original agreement. Facility utilizes more on site staff in preference to contractors noting contractors may come from out of state but site staff are located in Illinois.
