Job Creation Data Explanatory Notes

If the change (gain/loss) in the number of full-time permanent employees as of the date of the report plus the number of full-time permanent employees anticipated to be hired after date of the report does not equal the number of full-time permanent employees stated in the Agreement that would be created at the site as a result of the assistance, then please explain why not:

We closed our 2501 N. Damen Avenue location and opened our 1000 W. Pershing location in 2015. The jobs moved from one location to another. There was obvious reshuffling of responsibilities, some attrition and new hires. The final toll was 279.
